HIGHWAY/TRANSPORTATION ENGINEER – CONSTRUCTION (Entry Level)

KL Engineering's Green Bay, Wisconsin office is accepting resumes for an entry-level Highway/Transportation Construction Engineer.

The qualified candidate will possess a B.S. in Civil Engineering with experience and interest in construction of highways and bridges. Responsibilities may include construction inspection, management and layout, materials testing, roadway design and structure design. Knowledge of CAD/Engineering software is helpful. The job assignment is anticipated to be on WISDOT construction projects in Northeastern Wisconsin. The successful candidate may also complete design tasks on transportation projects.

In addition to career growth potential, we offer an excellent salary and full benefits with a casual office environment.

Current benefits include:

- Paid Holidays & PTO
- Flexible hours
- Medical Insurance
- Dental Insurance
- Life Insurance
- Long and Short term Disability Insurance
- 401K/Profit Sharing Plan
- Section 125 Cafeteria Plan

Please send or email your resume and cover letter to Paula Lindquist, at the address below by February 12, 2010.
